

Optoma DH1017

OPTOMA DH1017

The standard portable Optoma DH1017 3D BrilliantColor DLP projector has 4200 Ansi lumens, a contrast of 10000:1 and an HDTV 1920 x 1080 resolution. The projector can illuminate a screen width of up to 658 cm thanks to its 4200 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 439 cm. Video signals 1080P and 3D are also no problem for the projector. At just 30 decibels, the device is one of the quieter projectors. This model is no longer offered by Optoma, but is still one of the very popular projectors.
