

Optoma DS211

OPTOMA DS211

The DS211 3D BrilliantColor DLP has 2500 Ansi lumens, a contrast of 3500:1 and an SVGA 800 x 600 resolution. The lamp life is specified by the manufacturer as 5000 hours, which converts to over 6.8 years at 2 hours per day. 2500 Ansi lumens ensure that a picture width of 435 cm is also possible. However, if room light is available, the picture should be max. 290 cm wide. It is also Full HD 1080P compatible. The operating noise of only 30 decibels makes the projection quiet. The model was built by Optoma in 2011 and is no longer current.
