

Optoma EH503e

OPTOMA EH503E

A brief introduction to the EH503e: The Optoma stationary 3D BrilliantColor DLP projector offers 5200 Ansi lumens, a contrast of 2000:1 and a HDTV 1920 x 1080 resolution. The projector also offers a lens shift function that makes image adjustment childs play. An image width of up to 733 cm is possible, if the image width is smaller (we recommend max. 489 cm), rooms with residual light are also no problem. It is also Full HD 1080P and 3D compatible. On the market since 2017, the model is no longer offered by the manufacturer Optoma, but is still very popular in our projector database.
