EAN/UPC:796435 44 084 8

OPTOMA EH504WIFI

The Optoma model EH504WIFI is a DLP projector with HDTV 1920 x 1080 resolution and a contrast of 15000:1. The projector also offers a lens shift function, which makes image adjustment child's play. The projector will be able to illuminate a picture width of 718 cm well. The projector can create rooms with residual light with a smaller image width, we would recommend a maximum of 479 cm here. A smartphone with MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. The model is also Full HD 1080P and 3D compatible. It was launched in 2016 and is no longer offered by the manufacturer Optoma.
