

Optoma EzPro / EP726v

OPTOMA EZPRO / EP726V

Brief Introduction

Beta 2.5

The Optoma EzPro / EP726v standard portable BrilliantColor DLP projector has 2300 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. The projector can illuminate an image width of up to 418 cm thanks to the 2300 Ansi lumens. In room light, however, the image width should ideally be less than 279 cm. The operating noise of just 30 decibels makes the projection quiet. The projector was launched in 2009 and is no longer sold by the manufacturer.
