

Optoma EzPro / EP910

OPTOMA EZPRO / EP910

Brief Introduction

Beta 2.5

The Optoma EzPro / EP910 standard portable DLP projector has 3500 Ansi lumens, a contrast of 3000:1 and an SXGA+ 1400 x 1050 resolution. Horizontal and vertical keystone correction makes image adjustment childs play. 3500 Ansi lumens ensure that a picture width of 515 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 343 cm. Even 1080P video signals are no problem for the projector. With only 30 decibels of operating noise, the model is already very quiet compared to others. This model is no longer offered by Optoma.

 1 x 0,95" DC3 DLP Chip
SXGA 4/3 Ti Digital Light Processing Chip
