

Optoma EW539

OPTOMA EW539

A brief introduction to the Optoma EW539. The DLP projector has a WXGA 1280 x 800 resolution and a contrast of 3000:1. The projector will be able to illuminate a 556 cm image width well. However, if room light is available, the image width should ideally not exceed 371 cm. Even 1080P video signals are no problem for the projector. On the market since 2011, the model is no longer offered by the manufacturer Optoma.
