

Optoma EW631

OPTOMA EW631

The standard portable EW631 3D BrilliantColor DLP has 3500 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. The service life is 3500 hours, which converts to over 4.8 years at 2 hours of use. Thanks to the brightness of 3500 Ansi lumens, a picture width of 601 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend max. 401 cm). Playing 1080P is also no problem for the projector. This model is no longer offered by Optoma.
