

Optoma GT360

OPTOMA GT360

Brief Introduction

Beta 2.5

The Optoma model GT360 is a DLP projector with SVGA 800 x 600 resolution and a contrast of 3000:1. An image width of up to 435 cm is possible. However, the image should be smaller in room light. We recommend max. 290 cm. Furthermore, the projector can play 1080P without any problems. The operating noise of just 27 decibels makes the projection quiet. The projector was launched in 2010 and is no longer sold by the manufacturer.
