

Optoma H105

OPTOMA H105

The standard portable H105 3D BrilliantColor DLP projector from Optoma has 3200 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies a lamp life of 6500 hours, which is over 8.9 years if enjoyed for two hours a day. A picture width of up to 575 cm is possible. However, the picture should be smaller in room light. We recommend max. 383 cm. The model is also Full HD 1080P and 3D compatible. The projector is very quiet compared to others with 28 decibels of operating noise. This model is no longer offered by Optoma.
