

Optoma HD240Wi

OPTOMA HD240Wi

Brief Introduction

Beta 2.5

The standard portable HD240Wi DLP projector from Optoma has 3000 Ansi lumens and an HDTV 1920 x 1080 resolution. The manufacturer specifies a lamp life of 5000 hours, which converts to over 6.8 years at 2 hours per day. 3000 Ansi lumens ensure that a picture width of 556 cm is also possible. However, if room light is available, the picture should be a maximum of 371 cm wide. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. The model is also Full HD 1080P compatible. The model was built by Optoma in 2018 and is no longer current.
