OPTOMA S400

## Brief Introduction

Beta 2.5

A brief introduction to the S400: The Optoma standard portable 3D DLP projector offers 4000 Ansi lumens, a contrast of 22000:1 and an SVGA 800 x 600 resolution. The manufacturer specifies a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. The projector can illuminate a screen width of up to 551 cm thanks to its 4000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 367 cm. Playing 1080P is also no problem for the projector. At 29 decibels, the projector is very quiet compared to other projectors. The projector was launched in 2020 and is no longer sold by the manufacturer.

## Display Type

DLP Chip  
SVGA 4/3 Ti Digital Light Processing Chip

## Ansi-Lumen

Projector 4000

Screen 1333 Lux (bei 200 cm Screen)
