

Optoma TS526

OPTOMA TS526

Brief Introduction

Beta 2.5

The Optoma TS526 BrilliantColor DLP projector has 2800 Ansi lumens, a contrast of 3000:1 and an SVGA 800 x 600 resolution. 2800 Ansi lumens ensure that a picture width of 461 cm is also possible. However, if room light is available, the picture should be max. 307 cm wide. Even 1080P video signals are no problem for the projector. On the market since 2009, the model is no longer offered by the manufacturer Optoma.
