

Optoma TX536

OPTOMA TX536

Brief Introduction

Beta 2.5

With the TX536, manufacturer Optoma offers a standard portable DLP projector with XGA 1024 x 768 resolution and a contrast of 3000:1. 2800 Ansi lumens ensure that a picture width of 461 cm is also possible. However, if room light is available, the picture should be a maximum of 307 cm wide. Playing 1080P is also no problem for the projector. At just 30 decibels, the device is one of the quieter projectors. This model is no longer offered by Optoma.
