

Optoma W312

OPTOMA W312

The standard portable Optoma W312 3D DLP projector has 3200 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. The lamp life is specified by the manufacturer as 5000 hours, which is over 6.8 years with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 575 cm thanks to its 3200 Ansi lumens. In room lighting, however, the image width should ideally be less than 383 cm. The model is also Full HD 1080P and 3D compatible. The operating noise of just 29 decibels makes the projection quiet. The model built in 2015 is no longer offered by Optoma.

Brief Introduction Beta 2.5
