

Optoma X320UST

OPTOMA X320UST

Brief Introduction

Beta 2.5

With the X320UST, manufacturer Optoma offers a short-throw DLP projector with XGA 1024 x 768 resolution and a contrast of 20000:1. With a projection ratio of just 0.33:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 66 cm away from the screen. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training sessions. The model is also Full HD 1080P and 3D compatible. The projector is very quiet compared to others with 29 decibels of operating noise. This model is no longer offered by Optoma, but is still one of the very popular projectors.
