

Optoma X355

OPTOMA X355

The standard portable X355 3D DLP projector from Optoma has 3500 Ansi lumens, a contrast of 22000:1 and an XGA 1024 x 768 resolution. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. 3500 Ansi lumens ensure that a picture width of 515 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 343 cm. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. The projector can also display 1080P and 3D without any problems. This model is no longer offered by Optoma.

1 x 0,55" DC3 DLP Chip
XGA 4/3 Ti Digital Light Processing Chip

Projector	3500	Screen	1167 Lux (bei 200 cm Screen)
