

Optoma ZU607TST

EAN/UPC:5055387667594

OPTOMA ZU607TST

The short-throw ZU607TST 3D laser DLP projector from Optoma has 6000 Ansi lumens, a contrast of 300000:1 and a WUXGA 1920 x 1200 resolution. The manufacturer specifies a laser service life of 30000 hours, which converts to over 20.5 years at 4 hours per day. The projector also offers a lens shift function for flexible projection adjustment without loss of quality. As it is a short-throw projector, the projector can be positioned very close to the wall. For a 2 m wide image, the projector only needs to be 116 cm away from the screen. Furthermore, the projector can play 1080P without any problems and even has the option of projecting HD 1080P Blu-rays onto the ceiling using 360° projection.
