

# Optoma ZW350

OPTOMA ZW350

The standard portable Optoma ZW350 3D laser DLP projector has 3500 Ansi lumens, a contrast of 300000:1 and a WXGA 1280 x 800 resolution. The service life is 30000 hours due to the laser, which is over 20.5 years if enjoyed for four hours a day. An image width of up to 601 cm is possible as the projector has 3500 Ansi lumens. The projector creates rooms with residual light with a smaller image width, max. 401 cm is recommended. Even 1080P video signals and 3D are no problem for the projector, and it even has the option of projecting HD 1080P Blu-rays onto the ceiling thanks to 360° projection. On the market since 2021, the model is no longer offered by the manufacturer Optoma.

DLP Chip  
WXGA 16/10 Ti Digital Light Processing Chip
