

Panasonic PT-EZ590 E/U/J/L

PANASONIC PT-EZ590 E/U/J/L

The Panasonic PT-EZ590 E/U/J/L stationary LCD projector has 5400 Ansi lumens, a contrast of 10000:1 and a WUXGA 1920 x 1200 resolution. The manufacturer Panasonic specifies a lamp life of 4000 hours, which converts to over 5.5 years at 2 hours of use. The integrated lens shift gives freedom when positioning the projector. 747 cm image width, the projector will be able to illuminate well. The projector can create rooms with residual light with a smaller image width, we would recommend a maximum of 498 cm here. Furthermore, the projector can play 1080P without any problems. The model was built by Panasonic in 2016 and is no longer current, but is still very popular in our projector database.

 3 x 0,64" LCD TFT Panel
WUXGA 16/9 Liquid Crystal Display
