

Panasonic PT F300E/U/A

PANASONIC PT F300E/U/A

The standard portable PT F300E/U/A LCD has 4000 Ansi lumens, a contrast of 600:1 and an XGA 1024 x 768 resolution. The manufacturer specifies a lamp life of 5000 hours, which is over 6.8 years if enjoyed for two hours a day. With the lens shift function, the projector can be positioned very freely. 4000 Ansi lumens ensure that a picture width of 551 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 367 cm. The model built in 2008 is no longer offered by Panasonic.
