

Panasonic PT-VX610

PANASONIC PT-VX610

The standard portable PT-VX610 LCD projector from Panasonic has 5500 Ansi lumens, a contrast of 10000:1 and an XGA 1024 x 768 resolution. The manufacturer Panasonic specifies a lamp life of 7000 hours, which is over 9.6 years with a daily viewing time of 2 hours. Including a lens shift and keystone correction function, which provides freedom during installation. Thanks to the brightness of 5500 Ansi lumens, a picture width of 646 cm is possible. The projector can also handle slightly brighter rooms with a smaller picture width (we recommend max. 431 cm). The model is also Full HD 1080P compatible. On the market since 2017, the model is no longer offered by the manufacturer Panasonic.
