

Panasonic PT-TW351R

PANASONIC PT-TW351R

The Panasonic PT-TW351R LCD projector has 3300 Ansi lumens, a contrast of 16000:1 and a WXGA 1280 x 800 resolution. The manufacturer Panasonic specifies a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. Horizontal and vertical keystone correction makes picture adjustment childs play. The projector can illuminate a picture width of up to 584 cm thanks to its 3300 Ansi lumens. In room lighting, however, the image width should ideally be less than 389 cm. The projector offers an interactive whiteboard function for interactive training courses and presentations. The projector can also play 1080P without any problems. On the market since 2016, the model is no longer offered by the manufacturer Panasonic.

Brief Introduction

Beta 2.5
