## SceneLights LB-8001.mp

**Brief Introduction** Beta 2.5

resolution. The lamp life is up to 20000 hours, which is over 27.4 years if enjoyed for two hours a day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. The projector can illuminate a picture width of up to 203 cm thanks to its 400 Ansi lumens. In room lighting, however, the picture width should ideally be less than 135 cm. On the market since 2014, the model is no longer offered by the manufacturer SceneLights.
