Application

Light Source

Contrast

Offset Resolution With the LC 2000, manufacturer Philips offers a stationary LCD projector with resolution and a contrast of 100:1. An image width of up to 103 cm is possible as the projector has 140 Ansi lumens. However, if room light is available, the picture should be max. 69 cm wide. This model is no longer offered by Philips. It should also be noted that, unfortunately, there are no more replacement lamps for the projector, neither originals nor replicas.
