

# Philips NeoPix 110 / NPX110/INT

PHILIPS NEOPIX 110 / NPX110/INT

A brief introduction to the Philips NeoPix 110 / NPX110/INT. The LCD LED projector has an HDTV 1280 x 720 resolution and 100 Ansi lumens. Manufacturer Philips specifies a service life of 30000 hours, which is equivalent to over 20.5 years at 4 hours per day. The projector also offers an integrated media player that can be used to play files directly. A picture width of up to 102 cm is possible. However, the image should be smaller in room light. We recommend max. 68 cm. Video signals 1080P are also no problem for the projector.

 3 x LCD TFT Panel  
HDTV 16/9 Liquid Crystal Display

## Brief Introduction

Beta 2.5

## Display Type
