

Philips NeoPix 244

PHILIPS NEOPIX 244

Brief Introduction

Beta 2.5

The Philips NeoPix 244 Game Portable LED LCD Projector has 250 ANSI lumens, a contrast ratio of 3000:1, and HDTV 1920 x 1080 resolution. It is an LED projector with a light life of 30,000 hours, which equates to over 20.5 years of enjoyment at four hours per day. The projector also offers an integrated media player that allows files to be played directly. The projector can illuminate up to 161 cm of image width thanks to its 250 ANSI lumens. However, in room lighting, the image width should ideally be less than 107 cm. Since the projector recognizes Airplay and Miracast screen mirroring signals, it is possible to play videos with high resolution and surround sound directly from a smartphone, tablet, or PC (Android, Windows, and iOS) via Wi-Fi. The model is also Full HD 1080P compatible.

Display Type

- 1 x LCD Panel
- HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

250

Contrast

3000:1
