The Planar PD4010 DLP projector has 900 Ansi lumens, a contrast of 2500:1 and a WVGA 854 x 480 resolution. The manufacturer specifies a lamp life of 4000 hours, which is equivalent to over 5.5 years at 2 hours per day. Horizontal and vertical keystone correction makes image adjustment childs play. 900 Ansi lumens ensure that a picture width of 305 cm is also possible. However, if room light is available, the picture should be a maximum of 203 cm wide. This model is no longer offered by Planar.
