

projectiondesign cineo20

The cineo20 BrilliantColor DLP projector from projectiondesign has 1900 Ansi lumens, a contrast of 4000:1 and an HDTV 1280 x 720 resolution. The integrated lens shift gives freedom when positioning the projector. 1900 Ansi lumens ensure that a picture width of 443 cm is also possible. However, if room light is available, the picture should be a maximum of 295 cm wide. With only 28 decibels of operating noise, the model is already very quiet compared to others. This model is no longer offered by projectiondesign.

1 x 0,8" DC3 DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip
