

projectiondesign avielo optix superWide235

Brief Introduction

Beta 2.5

The projectiondesign avielo optix superWide235 DLP projector has 3000 Ansi lumens, a contrast of 7000:1 and a WQXGA 2560 x 1080 resolution. The horizontal and vertical keystone correction provides leeway when setting up. An image width of up to 477 cm is possible as the projector has 3000 Ansi lumens. However, if room light is available, the picture should be max. 318 cm wide. Even 1080P video signals are no problem for the projector. The model was built by projectiondesign in 2010 and is no longer current.

1 x 0,95" DLP Chip
WQXGA 4/3 Ti Digital Light Processing Chip
