

Qoosea Mini Beamer

QOOSEA MINI BEAMER

Manufacturer Qoosea offers the Mini Beamer, a game-portable LCD LED projector with HDTV 1920 x 1080 resolution and a contrast of 10000:1. Due to the LEDs, the projector is specified with 30000 hours of light life, which is over 20.5 years if enjoyed for four hours a day. The projector can illuminate an image width of up to 144 cm well thanks to the 200 Ansi lumens. In room light, however, the picture width should ideally be less than 96 cm. The projector has Airplay and Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Playback of 1080P and 4K (compressed) is also no problem for the projector.

Brief Introduction

Beta 2.5

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen
