

RCA RPJ135

RCA RPJ135

Brief Introduction

Beta 2.5

With the RPJ135, manufacturer RCA offers a standard portable LCD LED projector with HDTV 1280 x 720 resolution. Due to the LEDs, the projector is specified with 20000 hours of light life, which is over 13.7 years with a daily viewing time of 4 hours. The projector can illuminate a picture width of up to 124 cm well thanks to the 150 Ansi lumens. In room light, however, the image width should ideally be less than 83 cm. The projector can also play 1080P without any problems. On the market since 2020, the model is no longer offered by the manufacturer RCA.
