

Ricoh PJ WUC4650

RICOH PJ WUC4650

The PJ WUC4650 LED LCD projector from Ricoh has 3600 Ansi lumens, a contrast of 450:1 and a WUXGA 1920 x 1200 resolution. The lifespan of the LEDs is 20000 hours, which is over 13.7 years if enjoyed for four hours a day. This projector has a projection ratio of just 0.27:1. For a 2 m wide image, the projector needs to be just 54 cm away from the screen. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). Playing 1080P is also no problem for the projector, which can even project Blu-rays onto the ceiling thanks to 360° projection. On the market since 2019, the model is no longer offered by the manufacturer Ricoh.
