

Ricoh PJ WXC4660

RICOH PJ WXC4660

The PJ WXC4660 LED LCD projector from Ricoh has 4000 Ansi lumens, a contrast of 500:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies an LED service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. Thanks to the short-throw projection ratio of just 0.27:1, the projector does not stand still in the room. For a 2m wide image, the projector only needs to be 54 cm away from the screen. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. Playing 1080P is also no problem for the projector, and it even has the option of projecting HD 1080P Blu-rays onto the ceiling thanks to 360° projection. The model built in 2019 is no longer offered by Ricoh.

 3 x LCD Panel
