

Ricoh PJ WXL5860

RICOH PJ WXL5860

The stationary PJ WXL5860 3D laser DLP projector from Ricoh has 4700 Ansi lumens, a contrast of 50000:1 and a WXGA 1280 x 800 resolution. The manufacturer Ricoh specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. A picture width of up to 697 cm is possible as the projector has 4700 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 465 cm. Video signals 1080P and 3D are also no problem for the projector, and it even has the option of projecting HD 1080P Blu-rays onto the ceiling thanks to 360° projection. The model built in 2020 is no longer offered by Ricoh.
