

SAPPHIRE Mini Projector 101

Powerful, Portable, and Easy to Use

SAPPHIRE Mini Projector 101 projects images from 7.5 inches to 65 inches and supports a multitude of input sources. (PC, notebook, iPhone®, iPod®, compatible Nokia cell phones or any device that can output composite video such as compatible digital cameras, video cameras, DVD players or games consoles).

Fitting neatly in your pocket, with built in stereo speakers and weighing only 3.7 oz, it is an extremely portable, versatile and powerful tool for business and entertainment use alike. The projector comes with a rechargeable lithium ion battery for up to 140 minutes use without connection to a power point.
