

Sony VPL BW7

Brief Introduction

Beta 2.5

The Sony VPL BW7 LCD projector has 2000 Ansi lumens, a contrast of 1000:1 and a WXGA 1280 x 800 resolution. The projector will be able to illuminate a 454 cm image width well. However, if room light is available, the image width should ideally not exceed 303 cm. At 29 decibels, the projector is very quiet compared to other projectors. The projector was launched in 2009 and is no longer sold by the manufacturer, but is still a popular projector in our database.
