

Sony VPL CW256

SONY VPL CW256

Brief Introduction

Beta 2.5

A brief introduction to the VPL CW256: The Sony standard portable LCD projector offers 4500 Ansi lumens, a contrast of 3700:1 and a WXGA 1280 x 800 resolution. Including a lens shift and keystone correction function, which provides freedom during installation. 4500 Ansi lumens ensure that a picture width of 682 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 455 cm. It was launched in 2015 and is no longer offered by the manufacturer Sony.

3 x 0,75" LCD TFT Panel
