

Sony VPL EX235

SONY VPL EX235

With the VPL EX235, manufacturer Sony offers a standard portable LCD projector with XGA 1024 x 768 resolution and a contrast of 3300:1. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training courses. A screen width of up to 461 cm is possible. However, the picture should be smaller in room light. We recommend max. 307 cm. Video signals 1080P are also no problem for the projector. The model was built by Sony in 2014 and is no longer current.
