

TAXAN KG PV131S

TAXAN KG PV131S

Brief Introduction

Beta 2.5

The TAXAN KG PV131S standard portable BrilliantColor DLP projector has 2000 Ansi lumens, a contrast of 2000:1 and an SVGA 800 x 600 resolution. The projector can illuminate a picture width of up to 389 cm thanks to the 2000 Ansi lumens. In room light, however, the image width should ideally be less than 259 cm. The projector is very quiet compared to others with an operating noise of 30 decibels. On the market since 2008, the model is no longer offered by the manufacturer TAXAN. It should also be noted that, unfortunately, there are no longer any replacement lamps for the projector, neither originals nor replicas.
