The standard portable U7 137SF DLP projector from TAXAN has 3500 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. Includes an integrated media player for direct playback of files. Thanks to the brightness of 3500 Ansi lumens, a picture width of 515 cm is possible. The projector can also handle slightly brighter rooms with a smaller picture width (we recommend max. 343 cm). The model built in 2005 is no longer offered by TAXAN.
