

# ThundeaL TD90

THUNDEAL TD90

The ThundeaL model TD90 is an LCD LED projector with HDTV 1280 x 720 resolution and a contrast of 2000:1. The manufacturer ThundeaL specifies a service life of 30000 hours, which is over 20.5 years if enjoyed for four hours a day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. The projector will be able to illuminate the 176 cm picture width well. However, if room lighting is available, the picture width should ideally not exceed 117 cm. As the projector recognizes Miracast Screen Mirroring signals, it is possible to play videos with a high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. It is also Full HD 1080P compatible.

 3 x LCD TFT Panel  
HDTV 16/9 Liquid Crystal Display
