

Vankyo Leisure 3 PRO

A quick look at the Leisure 3 PRO: The Vankyo Standard Portable LED LCD Projector offers 170 ANSI lumens, a contrast ratio of 500:1, and an HDTV resolution of 1920 x 1080. The manufacturer specifies an LED lifespan of 30,000 hours, which would equate to over 20.5 years at 4 hours per day. Files can be played directly using the built-in media player. An image width of up to 132 cm is possible. However, in room lighting, the image should be set to a smaller size. We recommend a maximum of 88 cm. In addition, thanks to its Bluetooth functionality, the projector can be easily paired with other speakers. Furthermore, the projector can play 1080p and 4K (compressed) without any issues.
