

Vankyo Performance V630W

VANKYO PERFORMANCE V630W

The Performance V630W LCD projector from Vankyo has 280 Ansi lumens, a contrast of 5000:1 and an HDTV 1920 x 1080 resolution. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. 280 Ansi lumens ensure that a picture width of 170 cm is also possible. However, if room light is available, the picture should be a maximum of 113 cm wide. The projector has screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. It is also Full HD 1080P compatible. It was launched in 2021 and is no longer offered by the manufacturer Vankyo, but is still a popular projector in our database.

Brief Introduction

Beta 2.5

Display Type

3 x LCD Panel
HDTV 16/9 Liquid Crystal Display
