

Viewsonic Pro8530HDL

VIEWSONIC PRO8530HDL

The Viewsonic Pro8530HDL standard portable 3D DLP projector has 5200 Ansi lumens, a contrast of 5000:1 and a HDTV 1920 x 1080 resolution. The projector also offers a lens shift function that makes image adjustment child's play. The model offers a microphone jack plug and 10W speakers, so no additional audio devices are required for presentations or training courses. A picture width of up to 733 cm is possible, if the picture width is smaller (we recommend max. 489 cm), rooms with residual light are also no problem. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). Even 1080P video signals and 3D are no problem for the projector. It was launched in 2016 and is no longer offered by the manufacturer Viewsonic.

 1 x 0,65" DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip

Projector	5200	Screen	2311 Lux (bei 200 cm Screen)
