

Viewsonic LS630HD

VIEWSONIC LS630HD

The Viewsonic LS630HD Standard Portable Laser DLP Projector has 4000 ANSI lumens, a contrast ratio of 300000:1, and HDTV 1920 x 1080 resolution. The manufacturer Viewsonic specifies a service life of 20,000 hours, which equates to over 13.7 years when used for four hours a day. A built-in horizontal and vertical keystone correction feature provides freedom when setting up the projector. The projector can illuminate images up to 718 cm wide thanks to its 4000 ANSI lumens. The projector can handle rooms with residual light with a smaller image width; we would recommend a maximum of 479 cm. It is also Full HD 1080P compatible and can therefore project Blu-rays onto the ceiling thanks to its 360° projection.
