

Viewsonic LS630W

VIEWSONIC LS630W

The LS630W at a glance: The Viewsonic Laser DLP projector offers 4500 ANSI lumens, a contrast ratio of 300000:1, and a WXGA 1280 x 800 resolution. The laser has a service life of 20,000 hours, which equates to over 13.7 years of enjoyment at four hours per day. As the projector has horizontal and vertical keystone correction, it can be set up with plenty of space around it. The projector can illuminate images up to 718 cm wide thanks to its 4500 ANSI lumens. The projector can handle rooms with residual light with a smaller image width; we would recommend a maximum of 479 cm. It is also Full HD 1080P compatible. Even projection onto the ceiling is possible thanks to the 360° projection.

 1 x 0,65" DMD DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Projector	4500	Screen	1800 Lux (bei 200 cm Screen)
