

Viewsonic LSC601WU

VIEWSONIC LSC601WU

Brief Introduction

Beta 2.5

Manufacturer Viewsonic offers the LSC601WU, an LCD laser projector with WUXGA 1920 x 1200 resolution and a contrast ratio of 300000:1. Manufacturer Viewsonic specifies the service life as 20,000 hours, which would be equivalent to over 13.7 years at 4 hours per day. The projector also offers a lens shift function for flexible projection adjustment without any loss of quality. An image width of up to 702 cm is possible; if the image width is smaller (we recommend max. 468 cm), even rooms with residual light are no problem. Even 1080P video signals are no problem for the projector, which even has the option of projecting HD 1080P Blu-rays onto the ceiling thanks to its 360° projection.
