

Viewsonic PJD5254

VIEWSONIC PJD5254

A brief introduction to the Viewsonic PJD5254. The standard portable DLP projector has an XGA 1024 x 768 resolution and a contrast of 22000:1. The lamp life is up to 10,000 hours, which is over 13.7 years with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 500 cm well thanks to its 3300 Ansi lumens. In room lighting, however, the image width should ideally be less than 333 cm. The projector can also display 1080P and 3D without any problems. The projector is very quiet compared to others with an operating noise of 27 decibels. The model built in 2016 is no longer offered by Viewsonic.

1 x 0,55" LVDS Type-450 DMD DLP Chip
XGA 4/3 Ti Digital Light Processing Chip

Projector 3300
