

Viewsonic PJD7533W

VIEWSONIC PJD7533W

Brief Introduction

Beta 2.5

The standard portable PJD7533W 3D BrilliantColor DLP has 4000 Ansi lumens, a contrast of 15000:1 and a WXGA 1280 x 800 resolution. An image width of up to 643 cm is possible as the projector has 4000 Ansi lumens. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 429 cm. The projector can also play 1080P and 3D without any problems. The model built in 2013 is no longer offered by Viewsonic.
